## A MESSAGE TO THE NOBILITY

AS A New Shrine Year approaches and our "80th Anniversary Year" comes to a close, we realize that another Shrine year has become history and, as your Illustrious Potentate, I am most happy to report that Aleppo Temple has been marked by conspicuous progress and notable accomplishments in all of its activities.

It is a most encouraging and stimulating experience to serve as the Illustrious Potentate of Shrinedom's fourth largest Temple with a membership of over 16,000 wonderful Masons and Shriners. In all our Temple functions during the past year your Potentate has had superb support and cooperation from the Officers, Past Potentates, Uniformed Units and Committees. Thousands of Nobles have played special roles with their contributions toward the Temple's successful and outstanding Shrine year! To attempt to single out any particular Officer or Noble deserving of individual praise for his endeavors in the interests of Aleppo would be an endless task and would surely end in my overlooking Nobles who are equally deserving of praise, especially those Nobles who "work behind the scenes" in key positions for the advancement and improvement of our fine Temple. I realize a Potentate's year cannot be completely successful and gratifying without the support and cooperation of each and every one of these Nobles.

Our eleven Shrine Clubs under the jurisdiction of Aleppo have been most active in the past year and are a great asset to your Temple. These Clubs are most helpful in obtaining Candidates for the Temple as well as giving the Nobility and their families opportunities to meet together as Shriners and participate in many additional Shrine activities in their own outlying areas.

It is very heartening to note that the 1963 membership report of our Recorder once again shows a net gain in membership for the year of 109, and a total membership of the Temple, as of December 31, 1963, of 16,307. We realize this is due to the efforts of our many Nobles who have shown a desire to share their Shrinedom

with their Masonic Brothers by proposing them for membership in our Order. A detailed report and list of sponsors of Candidates created during this 80th Anniversary Year will be found elsewhere in this notice. Through the efforts of these loyal Nobles Aleppo has been able to maintain its annual gain in membership which, we believe, will permit us to retain our standing as the fourth largest Temple in Shrinedom.

As I turn the reins of office of Illustrious Potentate over to my successor, I look back on this year as one of the most active and interesting years of my fraternal life and one to be long and happily remembered.

May I express my sincere and earnest thanks for this opportunity and wish for all the Nobility and their families a most pleasant, prosperous and healthy 1964.

Sincerely yours in the Faith,

Herbert N. Faulkner

Illustrious Potentate

## SHRINE OFFICERS THIRD DEGREE TEAM FUTURE ENGAGEMENTS

THE Aleppo Temple Officers Third Degree Team, which has participated in raising Candidates in Blue Lodges in our jurisdiction for the past several years, has a busy schedule for the near future. The Ritual Work of this Team, which is headed by the Illustrious Potentate, has been very enthusiastically received by the members of the Lodges where they have worked in the past, assisted on many occasions by the Aleppo Chanters and Aleppo Oriental Band.

The coming engagements for this Team will include "Shrine Night" at Samuel Crocker Lawrence Lodge, A.F. & A.M., 30 High Street, Medford Square, on Monday, January 20, accompanied by the Aleppo Chanters, and Nehoiden Lodge, A.F. & A.M., Masonic Temple, 992 Great Plain Avenue, Needham Centre, Tuesday, January 21, when they will again be accompanied by the Aleppo Chanters. At this "Shrine Night" at Nehoiden Lodge, the Candidate to be raised will be Gordon Kenneth Young, son of our Chief Rabban, Clarence G. Young, and the Aleppo Oriental Band will participate in the entertainment of the evening following the Ritual Work.

The Officers Third Degree Team will also make an appearance at Meridian Lodge, A.F. & A.M., 24 Main St., Natick, on Wednesday, February 12. The Lodge building is located on Route 27, Natick Centre, off Route 9.

All Nobles are invited to attend these special Lodge meetings and wear their Shrine Fezzes in the dining room. Dinner will be held at 6:30 P.M. at these Lodge meetings, followed by the work of the evening. It is suggested that Nobles make dinner reservations in advance with the Lodges.

## GRINAGER DONNELLY EXECUTIVE V. P.

ONE of Aleppo's Nobles, Howard P. Grinager, was recently named Executive Vice President and General Manager of John Donnelly & Sons, the nation's oldest and largest family-owned outdoor advertising organization, headquartered in Boston since its founding in 1850. The appointment was announced through pure coincidence on Grinager's recent fifty-first birthday, by Edward C. Donnelly, Jr., Company President, as part of a major realignment of top-echelon executives in the strengthening of the 113-year-old firm's management structure consistent with the dynamics of the 1960s. The Donnelly Company and nine corporate affiliates operate display facilities covering metropolitan areas of ten states along the east coast from Maine to Florida.

A native of North Dakota who started his business career in Minneapolis, Grinager has been Manager of Boston branch operations since 1960, when he joined the Donnelly Company. He is the first executive outside the Donnelly family to hold the top administrative post.

Grinager is a graduate of Hamline University, Class of 1933, where he was elected to Pi Gamma Mu, national honorary fraternity, and is a member of Theta Chi, Rotary International and the Advertising Club of Boston, as well as a member of several policy-making committees of the advertising industry. He is married to the former Louise Besse of Dodge City, Kansas, and makes his residence at Weston, Massachusetts.

"It used to be easy," remarked Grandpa Hillis, looking up from his paper, "to give people your address. Now the post office is making zone numbers as long as phone numbers, and pretty soon you'll need an electric computer to find your way home."

## ANOTHER ASTRONAUT JOINS THE SHRINE

ASTRONAUT Virgil "Gus" Grissom joined the Nobility last November when he crossed the "hot sands" at Bahia Temple, Orlando, Florida. Noble "Gus" joined his fellow Astronaut Gordon Cooper in Shrinedom, who was elected to Honorary Membership in Aleppo last May while he was soaring around the world on his 22-orbit eventful space flight.

Grissom has been in the Mercury space flight program since its beginning, and was the second American to experience space flight.

"Gus" was born in Mitchell, Indiana, April 3, 1926, earned a degree in Aeronautical Engineering at Purdue, and then flew 100 combat fighter missions in Korea. He is married and has two sons.

Chosen by the U.S. Chamber of Commerce as one of the nation's outstanding young men in 1961, he has an airport, high school and street named after him in his home town of Mitchell.

He was raised a Master Mason in Mitchell Lodge, No. 228, A.F. & A.M., and became a member of the York Rite Bodies at Orlando, Florida, September 14, 1963.

## FESTIVITY AND HUMAN SERVICE

Editorial from *Leominister* (Mass.) *Daily Enterprise*

AT A TIME when American public opinion seems to be running against fraternities and sororities, it is encouraging to note that a leading senior fraternal organization is steadily increasing its membership and its public goodwill.

The Ancient Arabic Order of the Nobles of the Mystic Shrine reported its membership across North America rose to a record high of more than 830,000 in the past year. This is important news because the Shrine combines a sense of high purpose with the fellowship and fun of a social group.

Composed of many business and civic leaders who have risen through Masonry, the Shrine provides an outlet for individual and family social activities. The well-known heraldry and colorful Arabic uniforms give an air of festivity to brighten members' lives and those around them. The Shriners' annual convention, recently held in Chicago, included a panorama of parades and brass bands, lightheartedness and fez-tivities.

Other Shrine recreational activities reflect the seriousness of the organization. Shrine circuses and such football attractions as the East-West game raise funds for the 17 Shriners Crippled Children's Hospitals throughout the continent. These have a budget of $7,000,000 a year and have treated and healed more than 125,000 crippled children of all races and creeds since the first one was established in 1922. This network is soon to be extended by three burns centers to fill one of medicine's greatest unmet needs.

Due to its prominence and prestige, the Shrine continues to attract outstanding men to its roster of Nobles. We can all be glad that their ever-growing service to all handicapped children in need will grow along with them.

## SHRINE NIGHT AT THE "ICE FOLLIES"

REPEATING the last three years' successful "Shrine Nights" at the popular Shipstead and Johnson's Ice Follies at Boston Garden, Aleppo Temple has again this year arranged for "Shrine Night" at the "Follies" on Thursday, February 13, 1964. A special announcement and detailed information regarding this "Shrine Night" will be mailed to all members of Aleppo Temple.

## A. NEILL OSGOOD RE-ELECTED GRAND MASTER

AT THE ANNUAL MEETING of the Grand Lodge of Massachusetts held in the Masonic Temple, Boston, December 11, 1963, Most Worshipful A. Neill Osgood of Wellesley was re-elected Grand Master for a second year. Grand Master Osgood is an ardent Shriner and a regular attendant at our Aleppo Ceremonials. The December 12th Ceremonial of Aleppo and Class of Candidates were named in his honor and despite the "heavy downpour of white flakes" 443 Candidates answered the roll call and were initiated to membership in Aleppo in the "Grand Master's Class".

Other Officers elected and appointed at the Grand Lodge meeting in December were Stanley F. Maxwell of Reading, Deputy Grand Master; Howard W. Osborn of Balboa, Canal Zone, District Grand Master; Leonard Rawn of North Grafton, Senior Grand Warden; Burton K. Sawtelle of Winchendon, Junior Grand Warden; Frederick W. Hale of Lexington, Grand Treasurer, and Earl W. Taylor of Newton Centre, Grand Secretary.

Named Directors for two years were Ronald Astley of South Hadley Falls; Andrew G. Jenkins of Lowell; Dr. Thomas S. Roy of Worcester, and Walter N. Webster of Andover.

Whitfield W. Johnson of Watertown was elected Trustee of the Masonic Education and Charity Trust. Named Representatives at Large on the Board of Masonic Relief were Robert W. MacGlashing of Taunton; Leo P. Gelinas of Worcester; George H. Hicks of Fall River, and Carl R. MacKenney of Westwood.

## "GOOD-WILL"

By Henry S. C. Cummings 33°, Historian

THERE are times in the year when, more than at other times, we are reminded of the tremendous potential of "Good-Will" that is resident in the hearts of people everywhere — from the able, the kindly, the influential to the provincial, the self-centered and the strangers who like to walk parallel pathways in life. There are times when even Shriners comprehend more fully than at other times the collective strength of their "Good-Will" venture — for instance, as they seek to provide care and cure for crippled children, regardless of race, color or creed. The wishes of "Good-Will", such as is expressed at Christmas — spoken, penned, purchased, sees this feeling in each of us amplified several hundred times. It gives a measure of the potential that is inherent in "Good-Will" for men and all mankind, if only it could be channeled into more moments of our life and more into the consciousness of our day and generation.

"Good-Will" is woven into the fabric of every Mason. Its pattern is enriched and made more articulate as one adds the color tones of the Scottish and York Rite. Its tapestry is well established and part of the accent and distinction expected of a Shriner — to be better able, than most, to exemplify the practice of "Good-Will" in his daily living. Our membership in Aleppo now numbers 16,000 — if we were to try to visualize how many Shriners this is, we would be able to fill every seat in Boston Garden and have 1,500 parading on the floor, along with the Aleppo Band and Chanters! And there are enough Masons in Massachusetts to so pack Boston Garden for 8 consecutive nights with an overflow — but, without any Mason appearing twice! Think of the potential for good these 135,000 Masons carry with them in making "Good-Will" a Way-of-life! Each one of us is one of those Masons — and a NOBLE at that!

NEW MASONIC OFFICERS installed at the December meeting of the Massachusetts Grand Lodge are (front, left to right) Leonard Rawn, Senior Grand Warden; A. Neill Osgood, Grand Master, and Stanley F. Maxwell, Deputy Grand Master. (standing) Earl W. Taylor, Grand Secretary; Robert P. Beach, Grand Marshal; Burton K. Sawtelle, Junior Grand Warden, and Frederick W. Hale, Grand Treasurer.

Grand Master Osgood, Deputy Grand Master Maxwell, Grand Marshal Beach, Junior Grand Warden Sawtelle, and Grand Treasurer Hale are all members of Aleppo Temple. The Deputy Grand Master, Noble Maxwell, is the present Second Ceremonial Master of Aleppo.

## EATON APPOINTED ACTIVE 33rd

AT THE Supreme Council Session recently held in Boston it was announced that Laurence E. Eaton, Past Grand Master of Masons in Massachusetts and a member of Aleppo, was appointed an Active member of the Supreme Council for Massachusetts, Ancient Accepted Scottish Rite, Northern Masonic Jurisdiction.

Other Active members from Massachusetts are Illustrious Herbert N. Faulkner, Deputy for Massachusetts and our Illustrious Potentate, and Illustrious Rutherford E. Smith.

Noble Eaton, who served as Grand Master in 1961–62–63, was one of four new Active members of the 43-member Council, the governing body of over 500,000 32nd Degree Masons in the Northern Jurisdiction.

## CLARK HEADS GRAND R. A. CHAPTER

ILLUSTRIOUS WILLIAM FOSTER CLARK, 33°, of Belmont was recently inducted as General Grand High Priest of the General Grand Chapter of Royal Arch Masons at the National Convention of the Grand Body held at Minneapolis, Minnesota.

Clark, a Noble of Aleppo Temple, is also Grand Secretary of both the Grand Council and Grand Chapter of Massachusetts, with offices in the Masonic Temple, Boston.

In his new position as General Grand High Priest he will direct the activities of over 650,000 Royal Arch Masons in the United States, one of the largest fraternal Bodies in the world.

## NOBLE HAMBRO SENIOR MEMBER MASS. DEPARTMENT OF PUBLIC SAFETY

THE following story about Noble Mitchell Hambro, a member of the Aleppo Temple Degree Staff for many years, is reprinted from the "Department of Public Safety News" by permission of the Department:

"The year was 1919.

"The room number was 19.

"And so was the youth in that room at the State House, — 19.

"He spoke softly to John H. Plunkett, Chief of the Massachusetts District Police, filled out an office form, and then quietly walked out.

"Some months later, in Everett, a postman rang once. The youth opened the letter and read the contents eagerly. He spoke to his folks briefly, donned his hat and coat, and departed excitedly for the site of the Golden Dome.

"He had just been accepted as a junior clerk-stenographer (provisional) in the State's District Police force. Six months later the organization was to become the Department of Public Safety.

"Today, at 63, Mitchell Hambro is senior member of the Department and can boast of 44 years in the Commonwealth's service.

"The period covers a range of time from the era of the horse-and-buggy and clanging-street-car to the age of supersonic speed and space exploration.

"In that time, he has helped the Department expand and develop through war and post-war crises, recessions and booms, hurricanes and holocausts, crippling winters, floods and fires.

"He has trudged to all the former locations of the Department — from the State House to Commonwealth Pier, and to Commonwealth Avenue.

"Over the years, too, he has taken a hand in preparing, revising, and issuing scores of state building and boiler codes and licensing and fire prevention regulations upon which the public welfare heavily depends.

"He has watched the progress of Massachusetts as it has grown economically, and has observed the results of population, building, and road booms — in terms of newer Departmental responsibilities.

"Hambro's 44 years as a public employee in key positions is a distinction he may acknowledge with dubious pleasure, but it is a fact that covers more ground than meets the eye.

"As a departmental employee he has served in administration, boxing, Sunday entertainment, motion picture censorship, building, boiler, and fire prevention, and as secretary to the boards of boiler rules, elevator regulations, standards, and fire prevention regulations.

"Hambro has a modesty which precludes discussion of his experiences, although on a lighter side he twinkles with laughter as he recalls a winter some years past when he froze his nose while walking to work.

" 'I really thought I was going to lose it,' he chuckles, 'but — well, there it is.'

"For a 15-year period, Hambro was a senior clerk with the State Boxing Commission. He never raised a glove to anyone, yet he always took the count — for the Department, that is, in tallying gate receipts for state tax purposes.

"And only 5'2", he has 'stood up against the best of them' without ever flinching.

"Among 'them' were such notables as Jack Sharkey, Max Schmeling, Max Baer, Jack Dempsey, Gene Tunney, and Rocky Marciano. (His job was to weigh them in before a bout.)

"Mitch lives with his wife, Marion, in 64 Argyle Street in Melrose. He met her in the Department 35 years ago when she was in the cashier's office.

"A member of the Elks Club of Melrose and the Degree Staff of Aleppo Temple, Hambro hopes to round out an even half century of service in the Department before retirement.

" 'I think that after 50 years on the job, I'll deserve a little rest,' he said."

## NOBLE, DO WE HAVE YOUR CORRECT ADDRESS?

KEEPING a mailing list of over 16,000 names with correct mailing addresses is a task that can be greatly simplified for your Recorder if every Noble would advise him when they change their address. Otherwise it can be a problem for all concerned as well as result in the loss of notification of ceremonials and other Shrine events, mailed to Nobles.

Noble, Aleppo Temple wants you to receive your notifications. Please check the address on the envelope this notice was mailed in. If it is not correct, and had to be forwarded to your correct address by the postoffice, causing a delay in delivery, notify your Recorder at once so future mail can be received by you without delay.

## A MESSAGE TO THE NOBILITY

I AM distinctly honored and humbly grateful in being elevated to the office of Illustrious Potentate of Aleppo Temple.

The success of any Temple depends upon the efforts expended by the Officers, Elected and Appointed, and the fullest cooperation of all Unit Members, Shrine Clubs, and each of the Nobility.

We have been fortunate over a great many years in having had capable leaders and eager and willing workers. The counsel of these former leaders is invaluable and each year benefits of their advice should result in a smoother operating and more harmonious organization.

We are looking forward to a most interesting and a most rewarding year.

Our Shrine Clubs, eleven in all, are off to a fine start with splendid programs.

Our Uniformed Units are all organized and they have started their planning and rehearsals to make our appearances as a Temple second to none.

We plan to have many activities this year, including four Full Form Ceremonials in Boston during 1964. The next one is our Strawberry Festival on May 15 at Commonwealth Armory, at which time we entertain Imperial Sir Harold C. Close, Imperial Potentate of the Shrine of North America. We are naming the class of candidates in honor of our Imperial Potentate and we are striving for a class of five hundred.

The third Ceremonial will be on September 18 at Commonwealth Armory and will be known as "The Oyster Festival."

The fourth will be on November 27 and will be "The Thanksgiving Ceremonial."

Since the first of the year our Aleppo Temple Officers Third Degree Team has raised candidates to the Master Mason Degree at five Blue Lodges and plans are underway for several more.

Our Spring Tour for Shriners and their families to Jamaica will have taken place before the printing of this notice. We are also planning a most interesting Shrine Tour to take place in September.

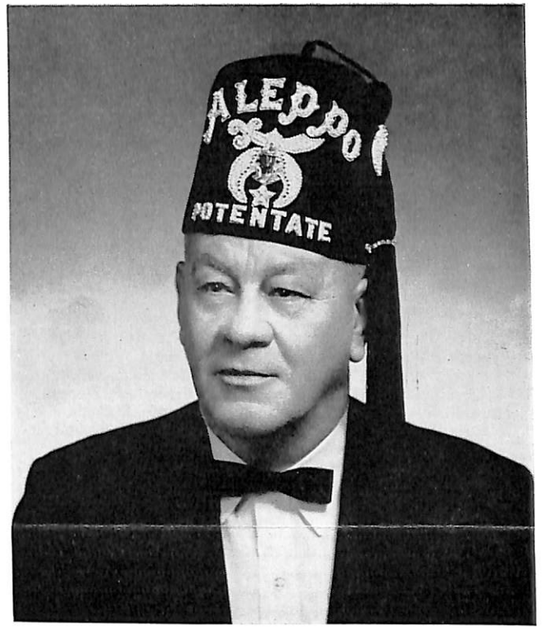
A Shrine Ball will be held at the Statler Hilton Hotel, Boston, on April 28th when we will have Guy Lombardo and his Royal Canadians to furnish the music. This will be an outstanding event. See page one for details.

A Shrine Luncheon will be held at the Sheraton Plaza Hotel, Boston, on May 6th.

On Monday, June 8, our Aleppo Golf Tournament will be held at Chestnut Hill Country Club (formerly the Commonwealth Country Club). Details of these two events will appear in our May notice.

Thank you, Nobles:

Your Illustrious Potentate wishes to express his appreciation for the many messages of condolence he received during his recent bereavement in the passing of his mother



Illustrious Clarence G. Young

On July 19 our Officers and Units entrain for New York for the Imperial Council Session, with a day parade on Fifth Avenue on Tuesday, July 21, and a night parade on Thursday, July 23, through the World's Fair Grounds, winding up in the new Shea Stadium. This year we have arranged a trip to the Shrine Convention in New York for the Nobility and their families, as outlined on page 8.

August 25th will be Shriners' Night at Fenway Park where the Red Sox will meet the Detroit Tigers. Our Uniformed Units will perform on the field before the game.

Detailed announcements of all Aleppo functions will be mailed to each of the Nobility.

We have planned an active year for the Nobility and their families and we hope you will all participate and have "Fun Galore in '64."

Sincerely yours in the Faith,

Clarence G. Young

## MOVING?

The Recorder careth little how often a Noble changeth his shirt, collar and socks, but woe unto him who changes his address, and flits hence to the Lord knoweth where, so that neither the Recorder nor Uncle Sam can tell where he tieth up his camel.

If you move — PLEASE advise the Recorder's office of your new address — "Don't get lost in the Desert."

## IMPERIAL SIR HAROLD C. CLOSE
Imperial Potentate of the Shrine of North America

THE IMPERIAL POTENTATE for 1963-64, Harold C. Close, was born in Somerville, Massachusetts, on December 19, 1899. His boyhood was spent in Waterbury, Connecticut, and after completing his education in that city, and his training in the mechanical field, he became interested in fabrication of brass goods. In 1931 he organized and became President of The Waterville Manufacturing Company. After 21 years as President and Treasurer of this growing Company, he retired from the manufacturing business in 1952. He served two terms as Director of the National Screw Machine Products Association; he is a Past President of the Waterbury Rotary Club; for eight years he was a member of the Connecticut Development Commission. He has served as Director of several Connecticut corporations, and as President of a Connecticut real estate firm. His records of accomplishment carry with them the admiration and respect of his business acquaintances.

Early in his career he became a Master Mason, being raised in Union Lodge No. 96 A. F. & A. M., Thomaston, Connecticut, in 1926. Following his term as Master of Union Lodge in 1933, he served as elected Treasurer for 25 consecutive years. He is a member of both the Scottish and York Rite Bodies; the Royal Order of Jesters, Hartford Court No. 141; and the Cabiri — Past Potentates' Organization. He was Potentate of Sphinx Temple of Hartford, Connecticut in 1951 and was elected Imperial Outer Guard of the Imperial Council in New York City in 1953 — the first Noble from Connecticut to be elected to the Imperial line.

The Imperial Potentate's approach to the Shrine is based on business knowledge coupled with his love for the fraternal organization. He is profoundly interested in the welfare of the Shrine and has for years been preparing himself by acquiring a thorough knowledge of all phases of our activities. He is thorough and progressive in hi work and has dedicated his life to building whatever he has devoted himself to. For the past several years, his chief interest has been the Mystic Shrine.

He is married to the former Elizabeth Bennett of New York City. They live in Scotland, Connecticut, and both are parishioners of the Congregational Church.

ONE of the three new Shriners Burns Institutes to be built by the Shriners Hospitals for Crippled Children will be located in Boston, adjacent to the Massachusetts General Hospital, according to a recent announcement by Imperial Potentate Harold C. Close, Chairman of the National Board of Directors of the Shriners Hospitals for Crippled Children and Past Imperial Potentate Harold Lloyd, Chairman of the Board of Trustees of the Shriners Hospitals.

Twenty-three Shriners from Boston's Aleppo Temple and two Shriners from Melha Temple of Springfield have been appointed to the Board of Governors of the Boston Shriners Burns Institute. The new Institute will be one of three of its kind to be built by the Shriners Hospitals for Crippled Children, the others being scheduled for construction in Galveston, Texas, and Cincinnati, Ohio.

Officers of the Board of Governors for the Boston Hospital are: Past Imperial Potentate Robert Gardiner Wilson, Jr., Chairman; Past Potentate Herbert N. Faulkner, Vice Chairman; Noble Carl W. Trempf, Treasurer; and Recorder Harvey B. Leggee, Secretary.

Other Aleppo members of the Board from the Boston area are: Joseph B. Abrams, Robert S. Andrews, James C. Bayley, Hubert N. Bernard, Jr., Richard S. Bowers, Frederic B. Duncan, Frank B. Ells, Rangnar Fridolin, Willard P. Lombard, Stanley F. Maxwell, John J. Mick, Frankland W. L. Miles, Raymond A. Phillips, Louis J. Roazen, George B. Rowell, Francis R. Sagle, Louis F. Past Imperial Potentate Harvey A. Beffa, Sr., Vice-Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children, is Chairman, and Past Imperial Potentate Robert Gardiner Wilson, Jr., a member of the Burns Committee who recommended Boston as the site for the Institute.

At the first meeting of the newly appointed Board of Governors March 22nd, plans were revealed for operating an interim unit in conjunction with Massachusetts General Hospital and preliminary plans for the construction of the Boston Unit were discussed.

"Improved burns therapy has been described by leading medical authorities as our country's greatest unmet medical need and the largest single hazard of childhood," Chairman Wilson said. The Boston Unit is one of the three that will be built to study and treat severely burned children, conduct research in problems related to burns and to train medical personnel in the care of burned patients.

Dr. Oliver Cope, Professor of Surgery at Harvard Medical School and visiting surgeon of the Massachusetts General Hospital, will be Chief of Staff of the new Shriners Institute in Boston.

The Imperial Council of the Shrine of North America has allocated $10 million to build and equip the three Burns Institutes. Plans for the Shriners Burns Institutes located in Galveston and Cincinnati have been announced and an interim program is in operation.

The Shriners Burns Institutes are additions to the 17 Shriners Hospitals for Crippled Children, known as the "World's Greatest Philanthropy."

## ATTENTION SKEET SHOOTERS!

SOME years ago Aleppo Temple had an active Skeet and Gun Club group which had regular monthly skeet shoots at various Gun Clubs on invitation of the several Sportsmen's Clubs. However, during the War, the activity subsided, no doubt due to the fact that so many Nobles entered the Services and also there were restrictions on sporting equipment and ammunition.

Since the War activity, skeet shooting has been revived and is now one of the outstanding sports in the country. A group of skeet enthusiasts headed by Aleppo's Noble Edward T. Matsuki, internationally known skeet shooter, has requested our endeavor to re-activate the Aleppo Skeet and Gun Club group. This enthusiasm reached a high pitch when a letter was sent to all Shrine Temples by the Islam Rod and Gun Club of San Francisco announcing a program whereby all Shrine Temples may compete in the First Shrine Telegraphic Skeet Shoot and the International Telegraphic Skeet Shoot. The objectives of this Shrine Shoot is to promote and create competitive interest in skeet shooting between Shrine Temples. There will be competion for team trophies for all Shrine Temples entering.

Noble Matsuki, a member of the Minute Man Sportsmen's Club, advises that his Club voted some years ago to extend to every member of Aleppo Temple the facilities of this fine shooting layout, both for practice and any competitive shooting that Aleppo might wish to engage in. He advises that this invitation is still a matter of record and all a Noble of Aleppo has to do is visit the Club, make himself known to Mr. George Wilkinson, General Manager, and he will receive a hearty welcome. The Club is located in Billerica off Route 62 and between Routes 3 and 3A.

The Club is equipped with four fully automatic skeet fields, two straight trap layouts, and rifle ranges.

According to a notice from Islam Rod and Gun Club, the Telegraphic Match will be shot on targets registered by the N.S.S.A. The Minute Man Club is holding a registered shoot, the "New England Open," on June 14, at which time a team or teams representing Aleppo could enter this shoot which would come within the time specified in the Shrine Telegraphic Competitive Shoot.

It has been suggested that if sufficient enthusiasm is shown among the members of Aleppo for this activity, the former Aleppo Skeet and Gun Club groups might be re-activated for skeet shoots and social functions as in past years. All Nobles interested in this sport and the re-forming of the Aleppo groups are invited to write or call Noble Ed Matsuki, 141 Milk Street, Boston, Mass., 02109, or telephone HA 6-3525 or HA 6-9300.

Ed says it's "loaded" with fun for all sportsmen!

## ALEPPO'S NOBLE ASTRONAUT

**LEROY GORDON COOPER, JR., RECEIVING ILLUMINATED SCROLL** *from* **Illustrious Herbert N. Faulkner (Potentate, 1963) attesting to his Honorary Membership in Aleppo Temple. Left to right: Illustrious Noble Herbert N. Faulkner, Astronaut LeRoy Gordon Cooper, Jr., and Recorder Harvey B. Leggee.**

THE NOBLES of Aleppo Temple are proud to have one of America's top Astronauts, Illustrious Noble LeRoy Gordon Cooper, Jr., as an Honorary Member. Astronaut Cooper, who made his electrifying and world-girdling orbit in space during the day of our May, 1963 Ceremonial in Boston, carried the symbols of Masonry and Shrinedom into orbit with him.

In view of his historic flight, Aleppo Temple at its afternoon Business Meeting on Friday, May 16, in Boston unanimously elected Astronaut Cooper an Honorary Member of the Temple at the time he was flying over our country during his 20th orbit. During the evening Ceremonial of the Temple, Illustrious Potentate Faulkner announced to the 4,200 Nobles of Aleppo present, that at 7:23 P.M. Astronaut Cooper, our new Honorary Member, splashed his spacecraft "Faith 7" into the Pacific Ocean. The Nobles present gave a long, standing ovation for Noble Cooper's historic flight in space.

Cooper's election to Honorary Membership in Aleppo Temple was most unique as Aleppo was the only Shrine Temple in North America holding an official Ceremonial Session and in a position to elect him an Honorary Member while he was in orbit.

The Recorder was appointed to notify Noble Cooper of his election to Honorary Membership voted during his flight and following is a copy of the letter in answer to this notification from Astronaut Donald K. Slayton, Coordinator of Astronaut Activities at the National Aeronautics and Space Administration, Manned Spacecraft Center, Houston, Texas:

Dear Mr. Leggee:

I want to thank you for your kind letter of May 25 to Astronaut Gordon Cooper notifying of his election by the officers and nobles of Aleppo Temple, during his twentieth orbit of the earth on his recent manned space flight, to an honorary life membership in the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Astronaut Cooper is extremely pleased that you have elected him to this membership and is deeply appreciative of the honor this election conveys.

While Astronaut Cooper would be delighted to be able to arrange for official presentation of the plaque mentioned in your letter, he has asked me to point out that, in view of the fact that he is presently engaged in assignments at both Houston and Cape Canaveral, his scheduling is such that he cannot get to Boston in the foreseeable future.

If his fellow Nobles will not be unduly inconvenienced, Astronaut Cooper would like to know if it would be acceptable for the appropriate presentation ceremonies to be held at a later date at either Cape Canaveral or Houston, when and if his schedule becomes more flexible.

All of us are indeed gratified by this gesture to our fellow astronaut and the interest in our manned spacecraft program your letter reflects. I hope that you will accept our best wishes, along with the warm regards Astronaut Cooper asked that I send to you and the other members of Aleppo Temple.

Sincerely,

Donald K. Slayton

Coordinator of Astronaut Activities

At the Ceremonial of Bahia Temple, at which time Astronaut Cooper became a Noble, he told the Imperial Potentate, George M. Klepper, who was present as a special Ceremonial guest, that he wanted to be a member of both Rites of Masonry and the Shrine before making his trip into space.

Astronaut Cooper is a member of Carbondale Lodge #82, A. F. & A. M. of Carbondale, Colorado (1956); York Rite Bodies, Brevard 24, Cocoa, Florida; Scottish Rite Bodies of Orlando, Florida; Bahia Shrine Temple of Orlando (created January 29, 1963); Orlando Court No. 166, Royal Order of Jesters, and was coroneted a 33° Mason, Southern Jurisdiction, in the 1963 Fall Class.

Other Astronauts known to be Masons are Brother Virgil I. "Gus" Grissom, Mitchell Lodge #228, Mitchell, Indiana (1949); Brother Thomas Patton Stafford, Western Star Lodge #138, Weatherford, Oklahoma (1952) and also a member of the York Rite Bodies, Cocoa, Florida; Brother Donn Eiselle, Luther B. Turner Lodge #732, Columbus, Ohio (1952) and Brother Joe Kittinger, High Altitude Balloonist, Eola Lodge, Orlando, Florida.

## DID YOU KNOW?

SO MANY of our members have recently seen newspaper pictures of Senator Barry Goldwater wearing a Fez, the question has been asked if he is a Shriner. The answer is that Senator Goldwater, the Republican Nominee for President of the United States of America, is a member of Arizona Lodge No. 2 of Phoenix, Arizona, Scottish Rite Tucson Consistory, Orient of Arizona, Valley of Tucson, and he was coroneted a 33° Mason, Southern Jurisdiction, in 1959. The Senator is also a member of El Zaribah Shrine Temple of Phoenix, Arizona.

## POTENTATE'S MESSAGE

YOUR POTENTATE would like to express his deep appreciation for the privilege of working with all the fine Nobles of Aleppo Temple. The experiences he has shared have been most rewarding in the friendships, made and renewed.

The heart-warming cooperation of the Divan Officers, Past Potentates, Elected and Appointed Officers, the members of our Uniformed Units and the Nobility has contributed in no small measure to the success of our activities this year.

Our eleven Shrine Clubs are having a very active year and many more functions are planned in the next few months.

The Aleppo Officers Third Degree Team has been most faithful, and with the Chanters and Oriental Band, have improved our image in many Blue Lodges throughout our jurisdiction. The Officers with the assistance of these two Units also attended two Masters and Wardens Association meetings and brought to them the story of the Shrine and its newest philanthropy, the Shriners Burns Institutes.

Your Officers have visited Melha Temple in Springfield, Sphinx in Hartford, Connecticut, Palestine in Providence, Rhode Island, Mount Sinai in Montpelier, Vermont, Anah at Bar Harbor, Maine, Pyramid at Trunbull, Connecticut, and are maintaining our excellent relationships with our Sister Temples in the Northeastern region.

Our Aleppo Band has accepted invitations to appear on many occasions outside of our regular Ceremonials and functions and has performed with a great deal of credit to themselves and our Shrine.

The climax of the first half of our year, without a doubt, was our excellent showing in New York at the Imperial Council Session. Our Units are highly commended for their unmatched performance in both parades. It was a most thrilling experience to lead our great contingent down Fifth Avenue on Tuesday morning and again on Thursday night when we completely filled the entire circled roadway around the inside of Shea Stadium.

Shortly after our return from New York, our Clown Unit was the guest of the North Shore Shrine Club when they appeared at a birthday party for the children of the North Shore Babies' and Children's Hospital in Salem. The entertainment by the Clown Unit was greatly appreciated by the children and grown-ups alike!

The response to our Shrine Theatre Party at the Carousel Outdoor Theatre and dinner at The Maridor Restaurant at Framingham exceeded our expectations and was thoroughly enjoyed by all who attended. Many requests are being received to plan another similar party.

By the time you receive this notice, our annual Shrine Baseball Night will have occurred at Fenway Park with the usual colorful pageantry under the lights and the thousands of Fezzes in the stands which, year after year, publicly calls to mind our work for underprivileged and crippled children.

## ILLUSTRIOUS CLARENCE G. YOUNG

Welcome to our Oyster Festival and a most hearty welcome to our new Candidates! Candidates are the life blood of a Temple. Our losses each year to the Grim Reaper and through Demits and suspensions average about 600 a year. There are thousands of Masons, eligible to join our ranks, who are waiting for "that Shriner friend" of theirs to extend a welcoming hand and a little encouragement. Be that Shriner friend and share your fraternalism with him. Our Temple has the lowest initiation fee and annual dues in all of Shrinedom. ALEPPO is the Temple . . NOW is the time! Get one more in '64!

Following our Oyster Festival Ceremonial on Friday, September 18, our next Full Form Ceremonial will be on Friday, November 27, and will be known as our "Thanksgiving Festival."

A "HARVEST" of Candidates would be right in season!

## NEW YORK SHRINE CONVENTION WRAP-UP

Eighty-five hotels hosted 150,000 Shriners and their families, according to **Time** magazine (July 31). **Newsweek,** (Aug. 3) reported that the Shriners spent $25 million at the Convention. Clifford E. Brundage, Director General of the Imperial Council Session, stated that the one-day advance hotel deposit was in excess of one million dollars. 22,000 Shriners participated in the march down Fifth Avenue for many thousands and again through the World's Fair grounds and for 30,000 spectators at Shea Stadium.

Columnist Bill Slocum of the **New York Journal-American** expressed the feelings of thousands of New Yorkers in his column from which we quote:

"New York City hasn't been having much luck these days as you may have read. But we got one break. The Shriners came to visit us. All conventioneers should be like the Shriners. Everybody in town loved 'em. They behaved, they paid, and they didn't make too much noise.

"On one of these previous visits a snobbish night club owner gave strict instructions to his captain, 'Don't give none of them funny looking dudes in red hats a table. They are nothing.'

"A few minutes later the captain whispered to his boss, 'One of them guys in red hats wants a table. He says he's the Governor of California.'

" 'Anybody can say that,' the boss said.

" 'Particularly this guy,' the captain replied. 'He IS the Governor of California.'

"The Gov got a table. And kept his red fez on, too.

"I did overhear one Shriner from Chicago make a slight gaffe the other day. He said, 'Let's go up town to Elaine's. Elaine Stritch is tending bar. She is the famous Broadway and TV star and she tends bar for kicks when she is not working. And she is Cardinal Stritch's daughter.'

"The Chicago Shriner was right on all counts with the exception of the last, where he scored a near miss — The late, great Samuel Alphonsus Cardinal Stritch of Chicago was Elaine's uncle."

A limited number of special Shrine Editions of the **New York Journal-American** are available for July 21 and July 23. Both can be mailed to your home for 25¢. Send coin and specify Shrine Editions: Circulation Dept., New York Journal-American, 220 South Street, New York 2, New York.

Legislatively, the Shrine Law was modernized in language and codification. The summer weight Fez is now legal. Increased effort will be made to improve liaison with Temples.

Shrine Unit elections resulted in the following Nobles as Presidents or Directors of the indicated organizations within the Shrine: The Cabiri, H. C. Anderson, Korein; Royal Order of Jesters, Paul Miller, Yaarab; Shrine Recorders, Peter Keville, Kismet; Shrine Motor Corps, William Ammon, El Zaribah; Shrine Publicity, George Ghetia, Al Koran; Shrine Photographers, Roger Williams, Palestine; Shrine Patrol, Clare B. Lang, Medinah; and Shrine Chaplains, Rev. Timothy Reeves, Medinah.

## AN INVITATION FROM WASHINGTON

THE Nation's Capital, Washington, D. C., was chosen by the recent Imperial Council Session in New York City as the location for the 1965 Imperial Council Session and Convention for the week of July 11. Committees have already been formed for advance planning for the visitation of the Shriners and their families from all parts of North America, and the Nobility of Almas, the host Temple, anticipate a record crowd for this Convention.

Your Recorder has received a letter from the Illustrious Potentate of Almas Temple of Washington inviting all Nobles to visit the "Sphinx Club" whenever they have an opportunity to be in the Capital. Following is a copy of the letter of invitation from Illustrious Potentate Mileham:

"Dear Recorder:

"Almas Temple, situated in the Nation's Capital, would appreciate being host to the Nobility of your Temple when they have occasion to visit our city.

"Our accommodations for the entertainment of your members are unsurpassed, as we have a Dining Room and Men's Lounge under the supervision of a famous chef and maitre d'hotel. Meals are served from 11:30 in the morning until 9:30 at night. Our Refreshment Lounge is available from 11:30 A.M. until midnight. This pertains to every day of the week with the exception of Sunday.

"It would be our pleasure to have the splendid Nobles of your Temple visit with us, meet with us, and enjoy our hospitality. If you could publicize this fact, through your magazine, it would be appreciated and I promise that a visit to our Sphinx Club, 1315 K Street, N. W., would add to the pleasure of the sojourn of your Nobles and their ladies in Washington, D. C.

"It is my personal desire to meet with you at the Imperial Council Session in New York City, and we are happily looking forward to the opportunity of serving you, in every possible manner, when you are guests of the Imperial Council Session in Washington, D. C., in 1965.

"Cordially yours in the Faith,

"William J. Mileham

## GIVES AWAY MILLIONS

WE'VE HEARD about the stories of Texas doing things in a big way. This one is no exception.

**The Scottish Rite Herald** of Texas reports that Former U. S. Senator William A. Blakely, 32°, K.C.C.H. had announced a gift of $21 million to the Texas Scottish Rite Hospital from the Blakely-Braniff Foundation. The remainder of the almost $30 million went to colleges and universities in Texas.

John McKee, 33°, President of the Board of the Texas Scottish Rite Hospital for Crippled Children in Dallas, said the Institution would be able to expand services to help children with complex neurological disorders.

## ROMAN CATHOLICS AID SHRINERS

THE SOUTH BEND (Indiana) Tribune, April 4, 1964, reported that twelve members of Mishawaka Council No. 1878, Knights of Columbus, and forty students from Our Lady of the Lake Seminary, Syracuse, Indiana, were driving to Chicago the next day. The forty Seminarians, training to become Catholic priests, had volunteered to donate a pint of blood each to the Chicago Shrine Hospital for Crippled Children. The Knights of Columbus members were chauffeurs, with State Police escorts in Indiana and Illinois.

The blood donation to the Shrine Hospital, which treats crippled children irrespective of race, creed or color, without charge, is the second by a Catholic group from Our Lady of the Lake Seminary. The first was in 1962.

These seminarian donations have resulted from the efforts of an Our Lady of the Lake graduate who was treated successfully at the Chicago Shrine Hospital when he was a child. He told William M. Knutson, chairman of the Valley of Promise Foundation and chairman of the crippled children's committee of the South Bend Shrine Club, that he prayed, "Please God, make me well so I can become a priest and help the Shriners."

## NOBLE, JOIN YOUR LOCAL SHRINE CLUB

THERE is no group of men on the face of this earth who have more good clean fun than the Nobles of the Shrine.

But many Nobles are overlooking one big bet in connection with their membership in the Shrine. We refer to their membership in a Shrine Club near their home.

Aleppo is blessed with eleven fine Shrine Clubs. They are doing an outstanding job of fellowship as well as furthering the work of the Shrine. One has only to visit these Clubs to recognize their importance to every Shriner, as well as the areas in which they operate. The only thing that might be lacking in these Shrine Clubs is the fact that there are many eligible Nobles who do not belong or take an active participation in them.

Of course, the mistake is that of the Noble who does not belong. The costs are very small, and each meeting provides an excellent opportunity to fraternize with other Nobles in your same area.

If you are not a member of a Shrine Club in your area, get your name on their roster now. Most clubs have regular meeting notices and other communications which you need to keep abreast of what is going on in your community, and you will get a lot more fun out of your membership in the Shrine by affiliating with the Shrine Club in your community.

## OUR RECORDER'S LAMENT

He hopes you'll get the gist of this, it's really nothing new;
He only wants to tell you that your dues are way past due.
He hates to be a kicker, he always longs for peace,
But the wheel that does the squeaking is the one that gets the grease.
So he's squeaking rather quietly, he hopes that you won't mind.
Please pay your dues this very day — now won't you be so kind?
The art of soft soap spreading is a thing that palls and stales
But the guy who wields the hammer is the guy who drives the nails.
And he's driving, driving, driving, so your dues he'll surely get
He knows you are a sporting soul, your dues you'll pay, he'll bet
He doesn't think it's needful to holler any more
He only wants to get your dues — and not to get you sore.

The Recorder has a few 1964 membership cards still on file but dislikes to keep driving for dues. However, time marches on and the 1965 dues will soon be payable! Look in your pocketbook now, Nobles, and see if you have obtained your 1964 Shrine card. If not, please help us to help you obtain the same by forwarding your check now!

## REWARD!

Please send the information by letter, giving name of patient, his home address, where he is confined, and the date of the information.

## STARTLING PARALLELS

IT HAS been said that history repeats itself. With a look at the events of the past few months, we realize how quickly history has been written and repeated to some extent.

There are many ironic parellels to be drawn between the deaths of Lincoln and Kennedy, who were slain by assassins.

1. Both were concerned with civil rights.
2. Lincoln was elected in 1860. Kennedy was elected in 1960.
3. Both were slain on a Friday and in the presence of their wives.
4. Their successors, both named Johnson, were Southerners, Democrats, and had served in the U. S. Senate.
5. Andrew Johnson was born in 1808. Lyndon Johnson was born in 1908.
6. John Wilkes Booth, the assassin of Lincoln, was born in 1839. Lee Harvey Oswald was born in 1939.
7. Both Booth and Oswald were Southerners, favoring unpopular causes.
8. Both slayers of Booth and Oswald (Baston Carbeth and Jack Ruby) murdered the two assassins before their trials.
9. Both Presidents' wives lost children through death while living in the White House.

AND PERHAPS MOST AMAZING OF ALL:

10. Lincoln's secretary, whose name was Kennedy, advised him not to go to the theatre the night he was killed . . . President Kennedy's secretary, whose name was Lincoln, advised him not to go to Dallas.

## TO THE NOBILITY

"Es Selamu Aleikum"

OUR FALL CEREMONIAL being held the day following our traditional Thanksgiving Day should bring to every Shriner a feeling of appreciation for the fraternal spirit of brotherhood in the Shrine and a great satisfaction in the tremendous work being done for children in our Crippled Children's Hospitals and our Burns Institute in Boston.

Aleppo Temple's Shrine Circus, famous for providing entertainment for underprivileged, orphaned and crippled children in our area, again has lived up to its reputation and thousands of children enjoyed an exceptional show. We are deeply indebted to Past Imperial Potentate Robert Gardiner Wilson, Jr., Chairman, and his Committee who arranged for and handled the Circus, to the Shriners who provided the children with tickets, to the advertisers in our program book, and to the members of our Uniformed Units who assisted in the Shrine parade and opening performance; also the Nobles of our Units who acted as ushers and sold our programs for the entire Circus week.

Our goals for helping children can be met and the good work continued in the future only as long as we can maintain a strong organization. New blood must be injected in the form of Candidates for membership. Our losses average about 600 members a year. The field from which we draw Candidates is large and many are under the misapprehension that they have to be invited to join. Share your fraternalism and your enthusiasm by sponsoring "ONE MORE FOR SIXTY-FOUR".

The Blue Lodges need all the help we can give them to inspire an interest in Masonry in the young men of today. Keep up your interest in the prerequisite bodies and the Shrine will go forward.

This being the Holiday Season, your Potentate wishes all Nobles and their families a pleasant Thanksgiving, a joyous Christmas and a happy and prosperous New Year.

"Aleikum Es Selamu"

## IMPERIAL SHRINE CRUISES TO PANAMA CANAL ZONE AND HAWAII

AN INVITATION has been extended to all Nobles, their families and friends, and members of all Masonic organizations by Imperial Potentate O. Carlyle Brock to join him on the annual Imperial Potentate's visitations to the Oasis of Abou Saad Temple in the Panama Canal Zone and to the Oasis of Aloha Temple in Honolulu.

The Imperial Shrine party will sail on the S.S. Santa Rosa on January 29 from New York. The thirteen-day cruise will include stops in Caribbean ports in addition to the Canal Zone visitation.

The Hawaiian Cruise departs March 10 from San Francisco on the S.S. Lurline, returning to San Francisco on March 31. Twelve days will be spent in the Hawaiian Islands visiting the Nobles of Aloha Temple and their ladies. On the Hawaiian itinerary there will be a special visit to the Hawaiian Unit of the Shriners Hospitals for Crippled Children.

For further information regarding these Imperial Potentate's Cruises, write to your Recorder, 569 Boylston Street, Boston, Mass. 02116.

## WHAT DOES THE HUNGRY SHRINER EAT?

MANY SHRINERS have mentioned the outstanding Ceremonial and Oyster Festival of Aleppo Temple held in the Commonwealth Armory, Boston, on Friday, September 18. It was a most successful event and was attended by nearly 4,000 members of Aleppo and visiting Nobles.

Evidently the Raw Oysters served in large ice blocks made a big hit with the Nobility as they consumed in the two hours the Banquet Hall was open over 38,000 Raw Oysters.

Our curiosity having been aroused, we asked our Caterer, Noble Irving L. Seiler of Seiler's Caterers, Inc., what the hungry Shriners consumed at one of our Ceremonials during the two-hour Buffet Dinner period. Noble Seiler came up with the following interesting and somewhat amazing figures:

With the 38,000 Raw Oysters, the Nobles ate 65 gallons of Cocktail Sauce, 94 pounds of Oyster Crackers, 95 dozen Lemons and 42 large bottles of Tabasco Sauce.

Other foods enjoyed by the Nobles at this Ceremonial included 510 pounds of Frankfurts (over ¼ ton), 22 gallons of Mustard, 710 pounds of Fancy Corned Beef, 210 pounds of Assorted Cold Cuts and Sausages, 3,110 pounds of Roast Turkey and 41 gallons of Cranberry Sauce.

Also 220 gallons of Macaroni with Meat Sauce, 740 quarts of Waldorf Salad, 800 quarts of Chef's Salad, 28 gallons of French Dressing and 32 gallons of Mayonnaise, 360 loaves of Bread, 295 dozen Assorted Rolls, 425 dozen Doughnuts, 255 pounds of Old Cheddar Cheese, 975 quarts of Ice Cream and 260 loaves of Assorted Cake.

To wash it all down, they consumed 235 gallons of Coffee, 70 quarts of Cream, 60 gallons of Cocoa, 1,250 half pints of Milk and 6,400 bottles of Soft Drinks.

Who said Aleppo Nobles don't eat well at a Ceremonial? 38,000 Raw Oysters? WOW! ! !

## THE MYSTIC SHRINE

THE BASIC objective of the Ancient Arabic Order of the Nobles of the Mystic Shrine are to promote truth, justice and good fellowship. The support of the 17 Shriners Hospitals for Crippled Children is a most commendable objective. The red Fez can take its place with the Red Cross and Red Feather as a symbol of mercy and kindness.

The Shrine spirit that all Nobles foster is based on the spreading of smiles, laughter and sunshine. We need this sunshine and laughter in a world that today speaks too much of war, bombs, guided missiles and pushbutton warfare. The Shrine is the place where distinguished professional man and the laborer can play again and be happy wearing the red Fez of Shrinedom.

Have you ever seen a man with a Red Fez on his head who did not smile because of his genuine interest in people, a real willingness to understand and a desire for spreading charity to his fellow man? He has faith in an everlasting God and dispells fear.

Nobles can be proud it was the generous heart of the Shrine that has given the millions of dollars for building the Shriners Hospitals for Crippled Children, and provided the best equipment for treating the deformed children who enter them. The orthopedic surgeons in the Shriners Hospitals are leaders in their fields.

THIS IS THE SHRINE. This is why 835,000 Nobles belong to this great Order of the Mystic Shrine. This is why we should invite eligible Masons to be members of the Shrine. The Shrine is known for its great work, and in order to continue these worthy projects, we must continue our growth in membership.

---

## SHARE YOUR SHRINEDOM!

THE task of attracting new members to the Shrine is the responsibility of each Noble. To meet this obligation, the Noble should constantly be prepared to explain what Shrinedom represents and has to offer. Active Shriners have found something personally meaningful in their membership. They should convey this at every opportunity, both formal and informal, to any eligible Mason with whom they come in contact. The Shriner's individual feeling expressed in his own words is a most effective membership tool.

Since its inception, the Shrine has been composed of men who derive a rich and deep enjoyment of life, and thus enhanced, go on to accomplish their tasks. This has been no accident. One of the basic aims of those who founded the Shrine was to provide the atmosphere in which men who appreciate healthy fun can gather and enjoy each others company.

Inspired by a long history of success in assisting crippled children, the Shrine has explored new areas toward which to direct its humanitarian efforts. In January, 1963, it began negotiations with leading medical groups to establish three Shrine Burns Institutes, located in Boston, Galveston, Texas and Cincinnati, Ohio. These Centers are specializing in treating burned children and conducting research in the field. The goals of the Shrine in helping solve one of medicine's greatest unmet needs are now in sight. Continued membership activity is what makes such efforts, a new highlight in Shrine history, possible.

## BURNED BOLIVIAN BOY IN BOSTON BURNS INSTITUTE

A THREE YEAR OLD Bolivian boy suffering extensive lye-caused burns of the mouth, throat and stomach arrived in Boston early Friday morning, October 9, after a three-day trip from South America to enter the Shriners Burns Institute at Boston. The child was entered at the Massachusetts General Hospital and occupied one of the five Shriners Burns Institute beds being used as an interim operation at the Hospital, awaiting the building of the new three million dollar Shriners Burns Institute adjacent to the Massachusetts General.

Guillermo Gonzales of La Paz, accompanied by his father, Jorge Gonzales, 38, was brought here on a mercy mission sponsored by the Shriners. He is the first patient to come to Boston from outside the United States under Shrine auspices. The boy, whose father is a chemist for the United States Alliance for Progress in La Paz, was severely burned several months ago when he swallowed a number of lye pills. A tracheotomy was performed on the youngster in a Bolivian hospital prior to his trip to Boston.

Following extensive tests at the Burns Institute, the boy received plastic surgery of the entire esophagus area.

Mr. Gonzales brought the youngster to Boston in a trip paid for by the South American Lions Club. They flew by jet from Bolivia to Chile, to Miami, and then to New York City. They came to Boston from New York by bus and were met at the Trailway Terminal at Park Square by Shrine officials. The trip took three days and two nights.

As this notice was being prepared to go to press, the officials advised that two operations had been performed on the boy and the final operation being very successful, the boy and his father would be making the return trip to Bolivia within a fortnight.

## DID YOU KNOW . . . .

that a Permanent Contributing Membership in the Shriners Hospitals cost only $150 . . . and that it exempts the Noble from payment of the annual $5.00 Hospital assessment . . . that it is deductible from your annual income tax?

Most of all, it gives you a great feeling of having a Life Membership in the world's greatest philanthropy . . . the Shriners Hospitals for Crippled Children and the three new Shriners Burns Institutes . . . and that it will carry on in your name after you pass on and as long as the Shriners Hospitals exist.

Since the announcement of the new Shriners Burns Institute Hospital in Boston, many Shriners and friends have requested information with reference to making donations to this new Shrine Hospital or mentioning the Burns Institute in their wills. For those who are interested, the proper wording for checks, wills, etc. is "SHRINERS BURNS INSTITUTE OF SHRINERS HOSPITALS FOR CRIPPLED CHILDREN, BOSTON UNIT."

### "AMERICA, THE WONDERFUL

"As an American, I feel we have many privileges. The biggest privilege is freedom. A lot of us don't realize how many freedoms we have. We have freedom of speech, voting, individual rights, and freedom of worship.

"Let's talk about freedom of speech. If we did not have freedom of speech, what would we do? This also includes voting. If we couldn't say what we wanted, we would not be able to vote for the presidents, vice presidents, mayors, or executives of our choice. Then we would really be in a mess.

"Now for freedom of worship. This means a very great deal to me. I think everyone should have his own way of worshiping God. Some people would rather die than worship in another religion. I know I would.

"We should also be thankful for our roads. They are usually in pretty good condition. Some have a few holes, but the main highways are pretty good. This enables us to go where we want to, when we want to. These are just a few of the freedoms that we as Americans enjoy.

"To me, there aren't too many responsibilities. Sure, there are some, but not that many. One of the greatest of these is taxes. Some of us pay more than others, but we get more than others. Then there is the work responsibility. We owe it to our country to do our work to the best of our ability. Then there is a different responsibility; the act of keeping our homes and lawns in good condition.

"All in all, I think America is the best place ever to live in.

Linda Hart"

## ASTRONAUT MASON SON OF ALEPPO NOBLE

THE following is a very interesting letter from an Aleppo Noble regarding his son in the Manned Space Center:

"Dear Noble Recorder:

"Very seldom have I had occasion to bother you during my 45 years as Life Member of Aleppo.

"I was delighted to see Aleppo had made Astronaut L. Gordon Cooper, Jr., an Honorary Member. I am on the Harmon Trophies Advisory Board as Executive Secretary and will be able to congratulate Cooper this Monday, September 14th, when President Johnson presents him the 1963 Harmon Aviator Award at the White House.

"One more important item. My son is a Major in the Air Force and an Astronaut at the Manned Space Center at Houston. He was raised by Montclair Lodge in the early fifties. This is the first Astronaut Mason, son of a member of Aleppo. I am sure this would interest the Brother Nobles.

"Sincerely yours,

"Noble Edwin E. Aldrin"

# Thanksgiving

WHATEVER ELSE Thanksgiving may mean, to me it spells gratitude. It is one of the most important ingredients in happy, joyous living. There is so much in life for which the true gentleman is happy.

"Porgy and Bess" is not one of the operas that I recall with any special enthusiasm. My tastes run along another line. But I was thrilled when Porgy, that happy joyous individual, who is crippled and is doomed to go through life on his knees, shoved himself out in front and center and sang:

"I got plenty o' nothin'
An' nothin's plenty fo' me.
I got the sun, I got the moon
Got the deep blue sea . . . . .
. . . . . Hebben the whole day long."

Gratefulness, or thanksgiving, comes from realizing that we may have ". . . Hebben the whole day long!"

George Bernard Shaw said that a gentleman "is a person who puts back into life more than he takes out." Who am I to argue with this definition, but a gentleman is also a person who realizes that he is never able to put back into life enough to pay just for the privilege of living. We are all so apt to be concerned with the overhead of living, taxation, the high cost of everything, that we forget the sacred underground, the nameless dead, those who have gone before and paid "to the last full measure of devotion" and the foremothers and the forefathers who have pioneered. Thank God for each and every one of them.

Whenever I read a good book, hear a great song, meet a new friend, or thrill as a group of men sing "God Bless America" my heart knows the spirit of gratitude and of thanksgiving.

## DON'T SCARE AWAY CANDIDATES REQUEST NO WORK "RED TAG"

THERE ARE MANY Scottish Rite and York Rite members eligible to be Shriners who hesitate to petition for membership in Aleppo. Because of physical or other good and substantial reasons, they are unable to endure the very much over-emphasized "Shrine initiation."

There are always plenty of able and willing "Novices" in our classes of candidates to properly stage our "Second Section Initiation" . . . SO LET'S NOT SCARE AWAY ANY CANDIDATES who might feel that the initiation would be too strenuous. Rather, let us seek these fellows and assure them that this part of the ceremonies is NOT OBLIGATORY. Upon request of the Sponsor or the Candidate petitions will be plainly marked "NO WORK" and there will be no active participation in such cases and they will become WATCHING CANDIDATES.

## OUR HERITAGE

TODAY the Declaration of Independence and the Constitution are the foundations of the mightiest Republic in the world. It took brave men who had full confidence in their convictions to sign it.

Had it not been for Benjamin Franklin, Sam Adams and his correspondence committee, Paul Revere, and many others, most of whom were Masons, it is anyone's guess as to what type of government we might have today.

Twenty-four signers were lawyers and jurists, eleven were wealthy merchants, nine were farmers and wealthy plantation owners. They were men of means and well educated, but they signed the Declaration of Independence knowing full well that the penalty would be death if they were captured by the British.

## REPORT OF ALEPPO'S 1964 CIRCUS

FOR another year, Aleppo Temple has been privileged to again sponsor for the enjoyment of our Nobility and all friends of Shrinedom, and most especially for thousands of children in eastern Massachusetts the best and newest of all professional indoor Circus acts. We are justly proud of our Circus. It is the very spirit of the Shrine at its best. For Circus Day always opens a clean and wholesome vista of happy laughter and excitement, and thrills, and wonder, — for young and old. We truly feel that our invitation to each and every charitable and hospital agency in Metropolitan Boston to send thousands of children to the Circus as our welcome guests during these past years has done much to Americanize our community and break down racial prejudice and sectarian bigotry.

All this we could not do were it not for the purchase and donation of thousands of tickets not only by a loyal membership but also through the generosity of many hundreds of friends and public spirited citizens of every sect and creed. We are especially grateful to the Boston Record American - Sunday Advertiser for the publicity and goodwill engendered through its sponsorship of our novel animal-naming contest for New England school children.

Shrine Night on Thursday, October 8, was featured by a parade of our officers and uniformed units from Copley Square to the Boston Arena, as well as by the presence of many of our red fezzed Nobles and their ladies. The Hamid Morton Company presented an unusually fine show, featuring many new acts. The engagement included an opening performance Thursday evening, two shows on Friday and Sunday, and three shows on Saturday and Columbus Day.

Our special performances for less-privileged children on Friday afternoon and Saturday morning, combined with special overflow provision being made for special groups on Saturday and Sunday afternoon and on Monday, brought children from over 60 different charities and organizations. Special groups were sponsored by the Cape Cod Shrine Club which brought 484 children in eight buses, the Newburyport Shrine Club, and the King Philip Shrine Club. Three bus loads came all the way from Martha's Vineyard on Saturday. The services of our Aleppo Temple Clown Unit, who volunteered for the assignment, proved invaluable especially when we were faced with capacity crowds. The continuous amusement afforded long lines of children delayed at ticket windows, in the lobbies, and on the sidewalk, greatly minimized impatience and confusion.

Volunteer members of our uniformed units, serving at one or more of the 11 performances in program sales, ushering, or the general supervision of seating the larger groups of less-privileged children, afforded indispensable assistance to your Chairman. The attendance record showed Staff 5, First Platoon 6, Second Platoon 15, Third Platoon 9, Fourth Platoon 5, Temple Guard 17, Chapters 2, Provost Guard 4, Degree Staff 11, Medical Corps 3, Activities 2, — and we were honored by the presence of one each from the Band and from the Oriental Band. Your Chairman, who was present at each performance, especially acknowledges the attendance of Nobles Ray Fridolin, George Jones, Henry Markow, Charles Taylor, Willis Dresser, Frank Brown, James McDonnell and Bill Shannon, who were continually on duty at almost every performance during the five day engagement.

Our Daddie List No. 2 which includes additional names to Oct. 23rd, follows. Our final report will be in Aleppo's next notice. Without the generous support of these fine Nobles our annual Circus would never be possible.

Again we thank the loyal Nobility of Aleppo Temple far and near, for their fine support of our 21'st Shrine Circus.

Yours with and in the Faith,

Robert Gardiner Wilson Jr.

*Chairman*
